## DONATIONS for St. Mary's Festival

We are gearing up for the festival once again and we need donations for the Silent Auction. We ask that donations be of higher value due to our limited space for the Silent Auction items. (in the past we've had a lot of misc. knick knacks, etc. that are unusable in the Silent Auction) We have a unit at DJP for storage, so if you'd like for us to take items off your hands now, just call Sharlot Ertel at 346-3604 or Sandi Kirchner at 346-8831 to make arrangements.

## Rest in Peace...

◆ Pray for the soul of **Paul Caraway** who had his Mass of Christian Burial on March 15<sup>th</sup> at St. Mary's  
**May his soul and all the souls of the faithful departed rest in peace. Amen.**

## Congratulations

◆ To **Lexi Marie Clapp**, daughter of Jason and Caryn (Gerringer) Clapp, who received the gift of baptism on March 13<sup>th</sup> at St. Joseph's.

## St. Mary's School Spotlight

This week the seventh and eighth graders completed a STEM (Science, Technology, Engineering, and Math) project. They designed, redesigned, and put together cardboard arcade games. The name of their arcade was The Upstairs Arcade, and the eighth grade girls even wrote a theme song. There were sixteen arcade games around the seventh and eighth grade classrooms. On Friday, all of the other classes got to come and play the arcade games. The seventh and eighth graders created a fun pass and arcade cash for each student in the building. At the end of the class's thirty minute arcade time, they got to redeem their tickets for prizes. It was a great week, and it was fun to stretch our brains into a different way than textbooks.... Engineering!
